

Mason Appointed Chief Of Police

Mayor Ray Toft appointed Harold Mason as Antioch's new chief of police at Tuesday night's meeting of the village board, and promoted Patrolman Jack Davis to sergeant and juvenile officer.

Mason has been with the Antioch police force since May 1, 1963. He was promoted to sergeant May 1, 1966, and has been Acting Chief of the Antioch police department since the resignation of Chief Jack Heick about two weeks ago.

Mason said he intends to continue on night patrol most of the time for the present, until he can train some of the new officers into the effective system of patrol developed under Heick. "I hope I can be as good a Chief as Heick was," Mason said. "For the present, at least, I'll be on duty nights most of the time, because that's when trouble is most likely to occur—burglaries and such."

The board confirmed Mayor Toft's appointments and also approved the hiring of Charles Miller as a police officer. Miller, recently finished service as a Military Policeman in the armed services, returning from service in Viet Nam in April.

The newly-elected members of the village board, Richard Radke, Richard Burnette and re-elected incumbent Irving Walsh were sworn in by Clerk Clarence Shuttis at the opening of the meeting.

Toft also re-appointed Clarence Shuttis as collector; Martha Hunter, treasurer; Edward Jacobs village attorney; Charles Mapleshorpe, Chief of the Fire Department; Edgar Simonsen, Superintendent of Public Works; Walt Delaney, building commissioner and plumbing, heating and electrical inspector; George Bartlett, as chairman of the Planning Commission and Ed Frazier as Civil Defense Director. Richard Daniel was appointed to fill the vacancy on the Planning Commission caused by the election of Dick Burnette to the village board.

The board approved payment of \$6,960 for the chassis of the new fire truck. The truck was ordered in January.

Permission was given to the Calvary Baptist Church to distribute candy and balloons from June 12 to 23, to promote their Vacation Bible School.

Permission was given to the Antioch VFW Post to sell poppies on May 19 and 20, and to the Antioch American Legion Post to sell poppies on May 26 and 27.

Clerk Clarence Shuttis was given permission to send shut-off notices to 12 delinquent water accounts.

APPROVE CHANGE OF ZONING

A change of zoning was approved to allow Charles

Keulman to construct a four-unit apartment on North Main St. The Zoning Board recommended approval of the change of zoning.

The zoning board had previously recommended denial of the petition after a previous hearing. Additional evidence was offered at the April 25th meeting.

Several conditions were recommended by the zoning board and included in the village board's approval. They included provision that parking space for eight cars be assured, that a complete set of architect's plans be submitted to the village board for approval, that the present structure on the property be removed & that adequate provision be made for the drainage of storm water.

A letter from State's Attorney Bruno Stanczak asked that the Antioch Police Dept. join in a Mutual Aid agreement with surrounding communities in the event of riots, mob actions or civil disturbances. The resolution to be adopted called for the community requesting aid to assume financial responsibility for any damage to property that might result to the police answering the call for aid, with the community sending the aid assuming the financial responsibility for its own police officers, in case of personal injury. The action was tabled pending in-

vestigation as to insurance coverage when Antioch police are in another community.

The Soo Line Railroad asked for a month's extension on installation of warning lights at the Ida St. crossing. The lights were to be in by May 1. They will be in by June 2, according to present plans.

A letter from the State Highway Department informed the board that the cost of installing Stop and Go lights at the corner of Lake and Main Sts. would have to be borne by the village. Traffic to be served by the lights is mostly local, the State said. Edgar Simonsen was instructed to investigate the cost of lights, and the possibility of an overhead light.

Mayor Toft announced that billing of water accounts would now be due on a staggered basis. One-third of the village residents will receive bills next month, one-third the following month, etc. This will affect the amount of customers' bills when the system first goes into effect, but not thereafter, and will result in a more efficient system, Toft said.

Village officials were invited to attend a seminar for disaster planning to be held at the village of Niles Wednesday, May 17. Several officials plan to attend the meeting.

Grove School To Conduct Summer School Program

The Grove School for children with learning disorders will conduct an eight-week summer school program five days a week from June 19 through August 20. Special classes will be offered for children with visual learning problems, motor work, academic problems in reading and arithmetic.

Head Start programs for low income children are available to children living on the base at Great Lakes and in the Lake Forest geographical area.

Youth Corps programs are available also for youth in low incomes with general maintenance work, clerical work, classroom work, and help with driving. Youth interested in the program should contact the Lake County Community Action Offices, ON-2-1303. Volunteers desiring to learn ways to work with the handicapped, may apply directly to the school.

A special institute for parents and professionals working with children with learning disorders will be offered on Mondays at the Grove School. Certificates will be given by the school for this training period. Lectures and observations of class-

room procedures will be given. The intent of the program will be to help parents and classroom teachers identify children with learning difficulties through simple techniques and then plan an adequate learning program for the child.

Mrs. Edward J. Matson, Executive Director of The Grove School, who taught a similar orientation course at Carthage College, Kenosha, will conduct this institute.

Lions: Pool Painting Day

Lions Club members, Jim Olson has planned a gala day of fun and frolic for you Sunday, May 7.

All Lions Club members are invited—even urged—to be at the Antioch Pool at 9 a.m. Sunday to join in the fun. "Pool Painting Party" is the name of the game.

All sorts of pleasant surprises are on the schedule for those who attend. For those who don't, there will be a fine.

"Let's Go Fly A Kite"

The Lake Region Jaycees are hoping for clear skies and a good breeze Sunday, May 7, when they're inviting youngsters to enter a kite-flying contest at the Antioch High School athletic field. The contest will start at 2 p.m.

All boys and girls 16 years old and under are invited to take part in the contest. Either commercial or home-made kites may be used, and children under ten may be assisted by their parents.

Special prizes will be awarded in three categories: (1) Highest flying kite; (2) most beautiful kite; (3) Kite with longest tail.

Whether or not a prize is won, everyone is promised a good time.

To Represent Central High At Badger State

Dan Pflueger, son of Mr. and Mrs. Charles L. Pflueger, of Route 1, Box 105, Salem, Wis., was selected to represent Salem Central High at Badger State at Green Lake, Wis., some time in June. Dan has been active in basketball and track and cross country. He is a member of the C-Club and the student council as well as the chess club. Dan has been on the 1st honor list all through his high school days.

Dean Antes, son of Mr. and Mrs. Ralph Antes of Salem was also selected to represent the school at Badger State. Dean belongs to the Science Club, the Drama Club and the C-Club. He has been a class officer, and on the honor roll for three years. His sports have included football, basketball, and baseball.

The girl chosen to represent Salem High School is Cherie Winfield, daughter of Mr. and Mrs. George Winfield of Route 1, Bristol, Wis. Cherie has been a cheerleader for 3 years, and active in GAA and Pep Club, Science Club and Drama Club. She was a prom attendant, class secretary and member of the student council. She belongs to the Mixed Chorus and forensics. Cherie has been on the honor roll during her three years at school. Badger girls are to meet in Madison some time in June.

Wins Award In Art Contest

James McLaughlin, Central High School art student, was among 90 winners in the Milwaukee Journal Art Calendar contest. There were 3,300 entries.

Jim received a silver palette, which is a second place.

Busy Month Coming Up For Diana

The regular monthly meeting of A.F.S. will be held Thursday, May 4, at 8:00 p.m. at the high school in room 108. Several plans for raising money for next year's foreign exchange student have been formulated and will be discussed.

Diana Maria Stagg, this year's exchange student from Ecuador will spend a busy and exciting month as her school year as a student at A.C.H.S. and as a daughter to the Walker Lyons comes to a close.

Diana will be the guest speaker at the Rebekah lodge at the American Legion hall on May 3. On May 9 she will attend the Mother and Daughter banquet at St. Stephen's Lutheran Church. On May 11 she will speak to the Women's Society at the Faith Lutheran Church. Her last scheduled speaking engagement will be at the American Legion Auxiliary on May 12.

In addition to her final speaking engagements, Diana has several other things on her mind. She is worrying as to whether or not her formal will arrive on time for the prom. She is also trying to lose some of the weight she has gained since coming to Antioch so she will fit in to this formal Studying for final exams is a big item on the agenda, and she is also looking forward to her mother coming from Ecuador to see her graduate from ACHS.

Registration At Framons School For Kindergarten

Emmons Grade School invites all parents who will have first graders starting school in September for registration on May 17, at 1:30 p.m. in the multi-purpose room.

Parents are asked to bring child's birth or hospital certificate as proof of age. Pupils must have reached their sixth birthday on or before December 1, 1967 to be eligible for admittance.

Miss Suwe, the school nurse, will be present to discuss the necessary physical and dental forms and the importance of up-to-date inoculations.

This will be the only date held for registration while school is in session.

Girl Scouts Visit Hospital

Senior Girl Scout Troop No. 110, consisting of girls from Antioch, Lake Villa and the Lindenhurst area, have made three trips to Great Lakes Naval Hospital recently. They played games with servicemen and served cookies.

Project Viet Nam Brings Award To P.O.

Who writes to the Postmaster? In the case of Antioch postmaster Joe Wolf, he gets an increasing amount of mail from soldiers in Viet Nam. Not with complaints about the service, but in gratitude for packages sent to the boys—or girls.

Of course, although addressed to the Postmaster, the letters are intended for all the personnel at the post office. And, for that matter, for all the people of the Antioch area who have joined wholeheartedly in Project Viet Nam.

Recognition is being given the Antioch Post Office and its personnel Friday, when Regional Director Donald L. Swanson will visit the post office to present a plaque to Postmaster Joe Wolf for the unique and warm-hearted project.

Project Viet Nam was the rain child of Harry Brehen, enthusiastically approved and promoted by Postmaster Wolf, and all the personnel at the post office. They decided to send packages to all men and women from the Antioch area serving in Viet Nam. The packages were accompanied by a note assuring the men that the hometown people were people behind them, 100%, were thinking of them while they were overseas and wanted to do some little thing to lighten their burden and just to say "Hello."

Kool Aid was first chosen as the main content of the packages from home, because so many of the soldiers had requested it to make the drinking water palatable. Post office personnel "chipped in" to purchase the first shipment.

Tax Bills Out Next Week

Real Estate and Personal Property tax bills will be in the mail next week, and William Brook, president of the State Bank of Antioch, announced that the bank will again be handling tax bill payments for the convenience of customers.

Bills may be either paid at the local banks or mailed in. The real estate tax may be paid in two installments, one due June 10, the second due Sept. 1.

The office of County Treasurer Ray Sheehan expects to complete mailing of the tax bills next week.

This year's Real Estate tax bill will be in a different form. It will not be an IBM card. There will be a stub at either end. The stub is NOT to be detached by the taxpayer, whether he pays by mail or at the bank.

A card will be included with the tax bill to provide for a name change. Name changes are not to be made on the face of the bill.

12th First For School Band

The Antioch Grade School Band took its 12th consecutive First rating at the State Finals last week.

The Antioch Band, directed by George Olisar, competed in the State Finals for bands, solos and ensembles at Plainfield, Ill., last Saturday, April 27. In addition to First rating for the band, four Antioch ensembles took Firsts.

The award-winning ensembles were:

Flute Trio with Dawn Ellis, Gail Kumpfer and Vicki Lear; Woodwind Quintet with Dawn Ellis, Bob Bevar, Candy Nelson, Janet Roberson and Renee Bobzien; Mixed Clarinet Quartet with Darlene Owens, Elaine Wells, Betty Valentino and

Terry Stewart; Clarinet Quartet with Renee Bobzien, Diane Vos, Debra Toft and Debra Herbert.

Second places were taken by the Brass Sextet and Clarinet Quartet No. 2. Clarinet Soloist Gary Rush also took a second place.

The band's schedule for the rest of the school year will be: May 24th, Instrumental Display; May 30, Memorial Day Parade; June 6, Graduation; June 24 to July 1, the Band will travel to Expo 67 in Montreal.

This Saturday, May 6, Mayor Ray Toft is turning his Shell Service Station over to the Grade School Band Parents. The receipts for the day will go to the Band Fund for the trip to Expo 67.

However, as soon as word of the project got out, everybody in town, it seemed, wanted to join in the project. Donations of numerous other articles came in from pens and paper to cash donations to help with postage and purchase of Kool Aid and dehydrated soup. Now the packages contain varying assortments—Kool Aid, soup, pens, paper, lighters, flints, multi-purpose knives, playing cards, paperback books. Mailings to all the service personnel on the list are made regularly, usually about once a month.

The names of Antioch area people serving in Viet Nam are turned in to the post office by relatives or friends. They receive packages from the home town folks until they return to the States. Some of the boys have returned home. Usually, one of their first stops is at the local post office to thank the boys there and visit a while.

Local residents are encouraged to write to some of the boys on the list. One Antioch housewife has an ambitious project of her own going, as an outgrowth of Project Viet Nam. She secured a list from the post office of all Antioch area boys serving in Viet Nam, and is sending a package to each one.

Here are some of the letters received last week at the post office from boys in Viet Nam. Sp5 Kenneth Kasel, writer of the first one, obviously has not let Viet Nam dim his sense of humor.

Friends, Enemies and Postmaster,

Lend me your ear. As I sat slaving over my hot steaming typewriter in the hot steaming mountains of Khanh Duong, I said to myself: "Self, why are you slaving over this hot steaming typewriter in the hot steaming mountains of Khanh Duong? Who cares about me wearing my nimble fingers to the bone?"

I went back to the rear of my plush tent and looked at my Columbia Solid State Stereophonic. The records I had were being weather beaten by adverse weather conditions. It was about 1100 hrs. The last time I had eaten was over 3 hours ago and I was starving. If only I had some beef or chicken broth. Just something to sustain life until chow time.

Since there was no food I decided possibly liquids would hold me for the next hour. I looked in my trusty waterproof bag and found nothing but warm beer. There wasn't anything left to live for. I decided I would write a simple suicide note and kill myself by sticking my finger in a light socket.

My life would have ended had it not been for three things (1) No pen and paper to write a suicide note. (2) The generator was off. (3) A prophet arrived and saved me.

The prophet was not Ann Margaret as I had expected. It was the mail man. Three packages had arrived for me. Upon opening the packages I found out I would no longer have to commit suicide.

In the first package was the bread of life; Kool Aid and delicious beef and chicken broth. I immediately started my tin can heat tabled about 3 helpings of beef broth. I also made a gallon of Kool Aid which I haven't finished yet.

The generator started and I immediately headed for my stereo to play my weather-beaten records. Upon inspection of another package I found a custom tailored weather-proof, dust-proof, water-proof plastic record bag. At last my records would not be subject to the elements.

Inspecting the last package I found out that if ever another suicide episode arose, I would be prepared. It contained not only a brand new, never been used ball point pen but a tablet of paper big enough to write a complete suicide book rather than the conventional suicide note.

Thank you for the packages. Keep paying your taxes as my paycheck depends on it.

Sincerely,
Kenneth R. Kasel

If Sp5 Kasel ever writes that suicide note, we'd like exclusive rights to it. It should be a gem.

P.F.C. W. D. Kunz also took time to drop a line to the postoffice:

Dear Sir:
I'd like to thank you for the packages you've been sending me. I'd like you to know your kindness and consideration has really been appreciated.

I hope someday when this is all over for me I'll be able to meet you and thank you personally. Thank you again. Yours truly,

Bill Kunz

Friends:
Just a note of thanks to let you know your thoughtfulness is well appreciated. I've met two other guys here from Antioch and they received your packages, too and send their thanks along with mine. It's good to know you're thought of. Thank you.

Everything here is fine and it's getting close to the time for returning to the states, which makes the time fly even faster. Again, thank you for your kindness.

Bob Rampp
The Viet Nam project is not confined solely to Antioch servicemen. Packages are sent regularly to two hospitals in Viet Nam. The Chief Nurse at one of the hospitals wrote to Postmaster Wolf after the last shipment.

85th Evacuation Hospital To Folks at Antioch Post Office

On behalf of the 85th Evacuation Hospital I want to extend my sincerest and heartfelt thanks for the packages we recently received.

The boxes of Kool Aid, combs, cards, cookies and instant soup were deeply appreciated by all the patients and personnel here. As you undoubtedly know, items of this nature are sometimes very hard to get here, so your packages came in quite handy.

Again, thank you very much. Your thoughtfulness will never be forgotten.

Lt. Col. Lethie L. Kay, Chief, Nursing Service
As many of the boys who receive the packages are graduates of Antioch High School, the school has recently mailed copies of the Tom Tom, the high school paper, along with the packages sent by the post office personnel.

Two new names have been added to the list of Antioch boys in Viet Nam: P.F.C. Fred J. Fath and P.F.C. Kenneth Sheldon, Jr.

Also, here is a list of people and firms who gave to the fund for Project Viet Nam this past week: Laura Swanson, Frank ReCupido, Vi Mapleshorpe, Antioch Answering Service, Louise Murrie, Mrs. Robert Hart, Betty Williams, Diana Meierdick, IGA—Gardner, Mallory, Marie Letkey, William and Florence Yucus, Mrs. Bert Doolittle, Earl and Augusta Pittman, Mr. and Mrs. Frank Sindelar, Albert and Belinda Dittman, James Kocmoud, Rudolph's Outlet, Grayslake, Quaker Industries, Teresi Chevrolet & Oldsmobile, Mrs. John Zubor, Harold and Bernice Soladay and Mrs. Adeline Bywell.

Job Discrimination

Much-needed federal legislation is in the works to ban job discrimination because of age. The man of 45 who finds himself out of work now has a hard time finding employment. America's worship of youth in this area is hard to understand. The older man may know more, be more conscientious and hard-working, and still have to accept a job far below his capabilities.

Large corporations are the worst offenders in this respect. They have hard and fast rules, and the man of 45 or older doesn't even get a chance to demonstrate his ability.

Group insurance plays a role in the reluctance of many companies to hire the man past forty. So does the reverence for a college degree. And perhaps the trend of both government and unions to work toward earlier retirement has its effect.

Legislation in this area may be somewhat successful, but it might help also if government and labor officials quit trying to promote the idea of early retirement, or at least confine it to those who desire it. To many men, work is their pleasure. Without it, they lose their zest for life.

With more women in the work force, this may become a great problem for women in the years to come. Perhaps the powers that be can work out a plan to utilize the abilities of those who wish to work and leave early retirement for those with a consuming interest in a hobby who welcome retirement.

Courthouse Notebook

Not too many moons ago when there was a great hue and cry abroad in the land to save the contents of the Lake County Museum of History on Wadsworth Rd. at Skokie Highway the fire trap potential of the old barn was cited as a prime reason for moving the artifacts and memorabilia.

In fact the building was condemned as unsafe by the State Fire Marshal, a step that led eventually to the county purchasing the contents and storing them underground in the old Nike site in Elia Township.

Apparently extensive repairs and fire protection devices have been installed in the big barn in recent months because it is now being used as a second hand store or "flea market", as a sign in front so quaintly identifies it.

State Representative John Conolly, of Waukegan, has joined the "Cut the County Board" cult with a new bill that would create 15 County Board Districts instead of the nine suggested in an earlier bill submitted by Representative Redmon, of DuPage County.

Both bills are designed ostensibly to provide "one man, one vote, representation on county boards and they are also supposed to cut costs and pare county boards down to more manageable size.

Rep. Conolly's bill would appear to reduce the size of Lake County's board from 37 to 15 with a resultant big savings in supervisor salaries or allowances for board and committee attendance.

Actually the savings would be much less since the 18 townships would still elect their regular Township Supervisors of General Assistance.

Since the new board districts would cut across township lines and combine two or more townships in some district the township supervisor would not automatically be a county board member. In fact he would probably be ineligible to be elected to both governing bodies.

The overall effect would thus be a reduction of four officials and most assuredly the new county board pay scales would start at a higher rate than the per diem now allowed.

So we have a new level of

government with new districts that will have to be changed every 10 years to insure a representative balance that the U. S. Supreme Court has not yet decreed is mandatory for local government levels.

At the risk of being repetitious it is hard to see how the composition of the county boards under township government differs materially from the make-up of the House of Representatives of the U. S. Congress.

In Congress each state no matter how small is allowed one Congressman just by being a state. Additional Congressmen are allowed on a population basis.

Essentially the same formula governs county board composition.

It would seem the advocates of a change in county board representation would be insisting that large townships such as Waukegan be divided into districts so that each part of the township is given equal representation on the county board with township districts rather than county districts.

At least there would not be a new artificial level of government districting.

Illinois Horseman William H. Bishop is not expected to get very far in his one-man rebellion against the appointment of James Crosby as Chairman of the Illinois racing commission.

Bishop, who operates one of the largest racing stables in the state, must be aware that the Crosby appointment has the blessing of Marge Lindheimer - Everett, the Queen Bee of Illinois racing.

Bishop is also aware that if he should persist in trying to buck the appointment of Crosby as the successor to William Miller he may suddenly find all the stable space at Arlington Park reserved far in advance of his application.

So far there has been surprisingly little comment in the sports pages about the appointment even though Crosby is currently employed by the tracks and will evidently continue on the track payroll while serving as chairman of the commission which is supposed to regulate them.

It will be interesting to see if the State Senate approves the appointment automatically or if some of the Sena-

Your Congressman
Reports.....

By Cong. Robert McClory

For the first time in almost 60 years the Congress is undertaking a revision of the Copyright law. The new statute will protect the interests of artists, musicians and authors as well as others who become copyright owners and licensees. These interests measured in terms of royalties are estimated at almost a billion dollars per year — and represent the earnings of many of our most gifted citizens.

The measure is being enacted pursuant to Article I of the United States Constitution which authorizes the Congress "to promote the progress of science and useful arts by securing for limited times to authors and inventors the exclusive right to their respective writings and discoveries." Under this authorization, the Congress enacted its first copyright law in 1790 and made subsequent changes periodically until 1909. However, the entire subject has lain in virtual limbo since that time. Meanwhile, the development of motion pictures, radio, television and other means of communication has rendered the old copyright law quite inadequate.

Under the old law, copyright protection was granted by the Register of Copyrights for a maximum period of 56 years. The period of protection under the new proposal is the author's lifetime plus 50 years. Upon the expiration of that period, the copyrighted material may be freely used by the public.

Of course, the new Copyright law covers motion pictures, radio and television performances, sound recordings and other productions in the same way as the original copyright law protected writings and sheet music. In addition, the legislation contains an exemption of educators from copyright liability for any "fair use" of copyrighted material in connection with their educational work. However, commercial transactions in photographs of copyrighted works or large scale reproductions (even for classroom purposes) would violate the fair use doctrine.

A completely new feature of the bill will be to impose liability on the operators of juke boxes to the extent of \$8.00 per year for each juke box. The basis of this added compensation is that juke box use of musical works is considered a new publication or transmission of copyrighted material.

Similarly, the subject of Community Antenna Systems (CATV) is covered for the first time in the new legislation. This becomes necessary because CATV systems retransmit television programs by special cables to patrons who pay a monthly charge. However, a section of the original bill was intended to limit CATV liability where retransmission takes place within the same area as that served by the originating station. In the House debate a dispute arose between the Chairman of the Committee on Interstate Commerce and the Chairman of the Judiciary Committee as to jurisdiction over CATV operations. Accordingly details respecting CATV copyright exemptions and liability have been postponed for the time being.

The measure is now pending in the Senate where some additional revision may occur. However, the general provisions of this particular legislation are quite well settled. A detailed report by the Register of Copyrights in 1961 followed by a thorough study by the House Judiciary Committee over a period of two years preceded the recent vote of approval in the

Springfield Report

By Richard Lockhart

From time to time, legislators are faced with decisions in which the alternatives lie along differing moral or philosophical convictions. As a rule, the votes are not cast along party lines—nor should they be. The decision-making, therefore, is a difficult one which requires some careful soul-searching by each legislator.

Such was the situation in the House Welfare Committee last week. The proposal under consideration was H.R. 516, sponsored by Robert Mann (D-Chicago). Senator Paul Simon (D-Troy) has introduced the identical measure, S.B. 198, which is pending in committee without action.

In anticipation of success on President Johnson's current proposal to increase social security old age and survivors' insurance benefits, these bills provide that such an increase is not to affect the amount of old age assistance money received by elderly Illinois citizens from the Illinois Department of Public Aid.

This can be clarified by looking for a moment at a similar situation which occurred just two years ago. In 1965, the Federal Government increased social security benefits for aged Americans. The increase, a few dollars per month, was sent directly to the elderly recipient. As allowed under the Federal law, the State of Illinois cut back the same dollar amount from the monthly old age assistance check to some 20,000 citizens who are on welfare. In effect, the Illinois Dept. of Public Aid added the Federal increase to those 20,000 to its general budget, an amount of several million dollars. There was a great hue and cry by the interested public, social workers and private welfare agencies, but this did not dissuade the Department's decision.

It is to prevent a repeat of this in 1967 that H.R. 516 was introduced. It has afforded an opportunity to observe a clash between unreconcilable viewpoints, each projected by men of good will.

Arguments for each side of the issue were presented. The intent of the proponents of the bill was quite clear—to preserve the Federal "bonus" to elderly recipients by preventing the State from cutting back on their welfare allotment as had happened in 1965.

The Dept. of Public Aid's argument was that it is unjust to allow some welfare recipients to receive additional monies and not the others. Under present policy, welfare recipients who receive insurance benefits, pensions, or annuities are cut back the same amount in their welfare check. The Department says it has provided three 3% increases in all welfare payments in recent years to meet higher living costs. Equalization of assistance, they feel, is a basic principle underlying a sound and equitable welfare program.

One advocate of this viewpoint told with great feeling how he could not provide an annuity to his mother, who is on welfare (and under 65 years of age), without it being subtracted from her assistance check. If the over-65 group could receive a non-deductible bonus (social security increase), then he demanded that his mother should be treated equally.

U. S. House of Representatives.

Authors, composers and playwrights as well as those who become purchasers and licensees of their copyrighted works, all appear to hail this new legislation. The interest of the general public in this measure may be slight; and knowledge of this complicated subject even among Members of the Congress may be quite limited. Still, the impact of this significant legislation is great indeed. Its benefits will be enjoyed by the countless thousands of creative artists whose talents enrich the culture of our great nation. Members of the House Judiciary Committee have received the principal accolades, and Republicans and Democrats alike who have promoted this far-reaching legislation are entitled to a hearty "well done."

Consequently, the possibility of adding an amount to all welfare allotments which would be equal to the Federal social security increase was another alternative considered. This, however, would cost the State of Illinois a minimum of \$10,800,000—an amount just not available under present budget difficulties. (Here is a good example of how decisions by the Federal government can cause great difficulty and conflict on the State level.)

The dilemma was not solved—the committee concluded in a 9-9 tie vote. The bill will be reconsidered at a future time. The decision will be equally difficult then.

GO's Busy Helping Worthy Causes

Lake Villa's "Go-Go-Girls" are likely to be found wherever there is a worthy cause in the Lake Villa School District.

The Go-Go Girls are members of the G.O., a girls' organization recently formed at Lake Villa Central School.

The group is made up of seventh and eighth grade girls who are interested in civic projects and physical education activities.

Physical Ed. teacher Marge Czop is adviser to the group. "The boys have interscholastic athletics and all there is for the girls is cheerleading and only a few participate in that," she explained. "The girls decided they wanted to do something helpful and creative. This was the result."

Patterned after the GAA's that are found in high schools, the G. O. has already taken part in one civic project, collecting paperback books for the men in Viet Nam. The girls were able to donate over 800 books to the V.F.W.'s drive this spring.

May 6 the girls will have a car wash to raise money. This money will be used to support an overseas foster child. They are also selling paperback books at school with the profits going to the fund for the foster child.

Officers of the group are LaDonna Connolly, president; Kathy Leight, vice president; Michelle Marconi, secretary; and Bonny Hay, treasurer. Cindy Hills is reporter for the group.

Other plans for the G.O. include helping at school activities, assisting the P.T.A., helping charities and physical education activities.

The new organization has the blessing of the school administration.

Millburn Hornets Hold Meeting

The Millburn Hornets 4-H Club held their monthly meeting at the Millburn School on Monday evening, April 24.

Larry Isbell will represent the club at State 4-H Club Week to be held June 20 to June 23 at the University of Illinois.

Chuck Faulkner gave a report on the judging school and contest which he and other Millburn Hornet members attended on April 15 in Kane County. Steve Bonadore received an 8th and Chuck Faulkner received a 9th in the vegetable judging contest.

Diane Walker announced that the club would present their skit on May 2nd in the county Share-the-Fun Festival.

Project reports were given by Laurie Block on "How to Make a Candle"; Richard Olson on "Making a Case for Rock Collection"; Ann Fetting on "Taking the Pulse of an Animal"; Don White on "County Beef Judging Contest"; and Dawn Eiserman on "Making Designs on an Object out of Clay".

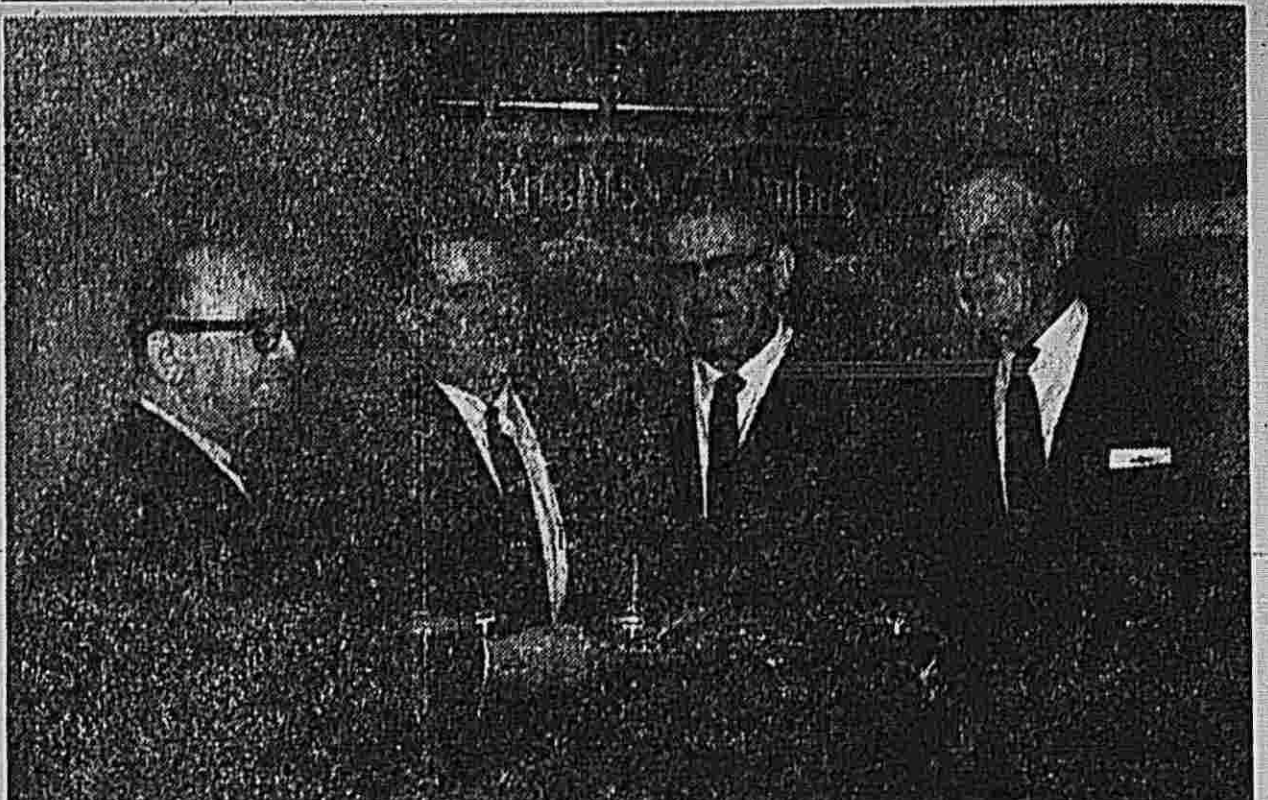

Heather Hunley presented the speech which won her a second place at the National contest of the Children of the American Revolution in Washington, D. C. last week. Heather will also enter the 4-H Public Speaking contest in June.

Refreshments were served following the meeting.

More Foolish Legislation

Not content to let the Democrats introduce all the bad Legislation, Senator Arlington this week introduced two anti-gun bills as Republican Policy. These bills are utterly ridiculous. They would license the owner rather than the gun. Any person owning or wishing to buy a gun would have to get a special permit from the Department of Safety. He would have to have this permit on his person at any

time he carried his gun. I wish someone could tell me how this would aid in abolishing crime and/or accidents from guns. How silly can they get?

NIPCC Bill Survives

After 30 days of maneuvering and effort, this writer was finally successful in getting the Bill to abolish the Northern Illinois Planning Commission passed out of Committee and onto the floor of the House.

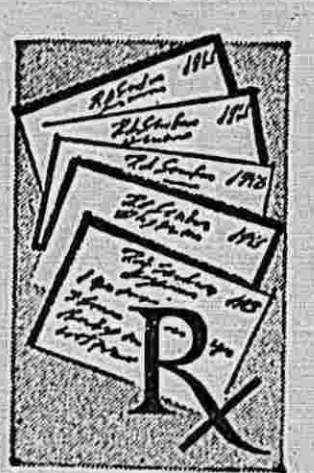

If the bill doesn't get passed, it still has performed a service; as they are now looking this Bureaucratic Commission over with critical eyes and in fact it has engendered several other pieces of legislation aimed at limiting the power and scope of NIPCC.

Senate Bill 252

This is the Bill that many Lake Countians have been watching with interest. This Bill not only restores the cut in the tax levy that Lake County voted on the County Board last year by referendum, but it allows them to increase this levy to .10 percent. Last fall when the electors of Lake County voted to reduce the tax levy, they reduced it from .067 to .036. Now under this new Bill that was sponsored and forced passed by the Republican Leadership, the County Board can raise their levy to .10.

This Bill was used as the vehicle to give Ogilvie (Cook County Chairman) the right to use \$18,000,000 of Motor Fuel Tax Money to bail out the deficit spending of the Cook County Board. They increased the levy in Cook County from .22 to .24 and also allow an additional increase of .04 for the years of 1968 and 1970 and .02 for the years of 1969 and 1971 on the theory that he may

Giving their viewpoints to WKRS moderator Larry Leonard are left to right, Dr. John P. Risley, Lake County Mental Health Clinic Medical Director, Reverend John Shaffer of Libertyville and Dr. John P. Barrell of

Downey Veterans Hospital. The State Department of Mental Health has presented its Golden Key Award to WKRS' "Viewpoint" for being the best radio series in Illinois dealing with mental health problems.

Share Golden Key Award

The Lake County Mental Health Clinic and radio station WKRS shared the accolades in Springfield Wednesday at Governor Otto Kerner's Golden Key Award Luncheon.

WKRS' "Viewpoint" program has been named the "best radio series" in Illinois dealing with mental health problems.

The judges' citation reads "Utilizing an informal hour-long discussion format with telephone questions and comments from listeners, VIEWPOINT ranges widely over the mental health field, from specific problems faced by parents in child rearing to the impact of federal, state and local legislation on local mental health needs and resources. The top rated program in Lake County during its time period, this program is a valuable part of the Lake County Mental Health Clinic's public education effort."

Once a month, Lake County Mental Health Educator Mrs. Jane Weis assembles a panel to discuss topics varying from "how much Lake Countyans spend for mental health" to suicide prevention to coping with the anxieties of suburbia. When racial violence flared in Waukegan last fall, the Clinic's program dealt with "Human Relations and Community Tensions."

Viewpoint moderator, Lar-

ry Leonard, believes the telephone participation helps make the topics meaningful to the listeners.

Leonard explains "for instance we did a show on how people relate to each other and their community. That's pretty dry. The audience participation, however, brought it down to 'would you help someone on the street who was in trouble?'"

One woman called and decried how nobody had helped her sister when she fell in downtown Waukegan. Yet upon questioning, the woman admitted she wouldn't stop and help anyone else's sister. You couldn't have scripted it and gotten an actress to say it as well."

On Honor Roll At Carmel High

The third quarter honor roll at Carmel High include the following students from Antioch: First honors: Robert Lorenz, Kirk Vistain and Helen Zeien; Second Honors: Thomas Jermakowicz, Chris Moser, Susan Pauletti, Lynn Szymoniak, Bernard Dost, Scott Lucas, John Sanhamel, George Sedivec, Susan Sedivec, Julie Zannini, James Griffin, Patricia Horsch, Rudolph Palenik and Gregory Shearman.

MOTHER AND DAUGHTER BANQUET SET FOR MAY 5

By Del Jahneke

The annual Mother and Daughter banquet of the Methodist Church will be held on Friday, May 5, at 6:30 p.m. in Wesley Hall of the church. Although this affair is sponsored by the Wesley Evening Circle it is open to all the women of the church, and any other interested mothers and daughters. Reservations for the roast beef dinner can be made by telephoning Mrs. Roger Andrews, 305-3374. Tickets are also available from any Circle member.

Mrs. Emory Chandler, Program chairman, announces that there will be musical selections by high school students. Mrs. Charles Maples is the general chairman. Mrs. Harold Knutsen has charge of the food arrangements.

The installation of officers and chairmen of the Wesley Circle for the coming year will be held, with Mrs. Robert McAllister, W.S.C.S. President, as the installing officer. The new officers will be: President—Mrs. Charles Maples; Vice-President, Mrs. Boris Gary; Secretary—Mrs. Leslie Sorensen; Treasurer—Mrs. Roger Andrews; Program Chairman—Mrs. Emory Chandler; Devotions Chairman—Mrs. Wallace Anderson; Publicity Chairman—Mrs. Edward Jahneke; Membership Chairman—Mrs. Ken Smouse; Sunshine Chairman—Miss Betty Lu Williams; and Ways and Means Co-chairmen—Mrs. Albert Dittman and Mrs. Douglas Dodd. A delicious dinner, and a pleasant and entertaining evening is on the agenda for all the ladies, young and old, who are in attendance.

Gamble's To Add Catalog Order Center

The Gambles store here in Antioch has been appointed as a catalog order center for Aldens Catalog Service, according to Rudy Eckert, owner of the store. Alden's the fourth largest catalog order firm in the United States, brings to town its full selection of merchandise from its 780-page catalog.

"The new catalog service will provide Gambles shoppers with a wider selection of goods, and it will save time and effort for them, too," owner Rudy Eckert told reporters. Simplified

ordering, both in the store or by telephone, will be a distinct advantage in this new service. "Our customers," he continued, "will be able to choose any item from the catalog in the store or may order by telephone from their homes." Convenient credit terms will be available so that customers may charge items purchased either in the store or by phone.

According to Eckert, surveys made by competent authorities indicate that there are three principal reasons why catalog shopping is becoming more and more popular: 1) lower prices; 2) greater selection of goods to choose from as compared with local stores; and 3) convenience, including the elimination of traffic problems and travel time.

Aldens had its beginning in an extremely modest mail order business—established in 1889. Then known as the Chicago Mail Order Millinery Company, it advertised millinery supplies in a small leaflet catalog and a five-man staff filled orders from a loft at Wabash and Congress Streets in Chicago.

The company grew quickly and by 1926 the catalog had grown to 300 pages. Operations of the Chicago Mail Order Company, as it was then called, were transferred to an eight-story warehouse building. Today the company ships merchandise nationally from four warehouses in Chicago and is the fourth largest catalog order company in the country.

Although all of Alden's original sales were for cash, the company extended credit facilities starting in 1937. Today catalog sales made on a credit basis account for more than 50 per cent of the total sales. Full credit terms, including extended time payment-credit, will be available to customers here.

Mr. Eckert invites all of his customers to browse through the new catalog and try this new service. He states that he is prepared to take catalog orders immediately and will promise prompt delivery.

Her paternal grandparents are Mr. and Mrs. Edward Jahneke, Sr., of Antioch, and maternal grandparents are Mr. and Mrs. Russell Welch of Round Lake.

HAWAIIAN TRIP

Mr. and Mrs. William J. Anderson of Lake Villa have just returned from a trip to the Hawaiian Islands. They made the trip with Medinah Shriners of Chicago.

The Andersons stopped in San Francisco and Las Vegas, then on to the Islands. They stayed in Honolulu but visited four of the other islands.

Mr. and Mrs. Clarence Erickson, Jr.

Joined In Marriage By Bride's Uncle

Kathleen Ann Zanek and Clarence G. Erickson, Jr., were married in Prince of Peace Church, Lake Villa, April 8, in a double ring ceremony. Officiating at the service was the bride's uncle and godfather, the Rev. Bernard Zanek of San Jose, California.

The bride is the daughter of Mr. and Mrs. George R. Zanek, Sr., of 2015 E. Old Elm Rd., Lindenhurst, and the bridegroom is the son of Mr. and Mrs. Clarence G. Erickson, 1913 Lotus Dr., Round Lake.

A floor length gown of silk organza and Chantilly lace over bridal taffeta was worn by the bride. The bodice was fashioned with a scalloped neckline and long lace sleeves. The skirt was a sheath with hip fullness sweeping into a chapel length train. Her headpiece was organza petals with an illusion bouffant veil.

She carried a cascade bouquet of white orchids, lilies of the valley and miniature snowdrift mums.

Mrs. George (Bonnie) Zanek of Milwaukee was her sister-in-law's matron of honor and Frank Kasper, Jr., served as best man for the bridegroom.

Bridesmaids were Miss Bonnie Swoboda, Miss Linda Carlson and Miss Virginia Clark. Miss Vicki Kasper was flower girl and the bride's brothers, Ralph and George Zanek and Elmer Von Haerke, Jr., were ushers.

The bride's attendants wore long aqua and turquoise gowns with oval necklines and headpieces of matching bows, with butterfly veils. They carried cascade bouquets.

Following a reception at the Lindenhurst Civic Center, the couple left for Texas where the bridegroom is stationed at Fort Hood, Texas. The former Miss Zanek graduated from Antioch High School in 1965. She was employed at the Electronic Supply Office, Great Lakes.

Bill Dean Entertains

Bill Dean

Bill Dean, known to many Antioch area music-lovers from his engagement at Lorenz's Smart Country House, is giving an organ concert Sunday, May 7, at 2 p.m. at the Terrace Restaurant, Rt. 83 and Lake St., Elmhurst, Ill.

Dean will be playing nightly except Sunday and Monday at the Terrace. He will be joined in his performances by Mrs. Irene Keim, who has done extensive light opera and solo work, and Jack Mitchell, who plays the trumpet.

Bill Dean started playing the piano when he was five years old. When he was 14, the organ became his major interest. At 18 he became a professional.

Celebrate 35 Years of Marriage

Mr. and Mrs. Fred Dittmer, Sr., of Grass Lake were honored at a surprise party in their home on their 35th wedding anniversary Saturday, April 22.

The party was given by their children, Fred, Jr., of Evanston; Richard (Bud) of Lake Villa; Donna (Mrs. Stewart) Olson of Bristol and Gerald of Manitowoc.

Fred, Jr. and Gerald were unable to be present. However, Gerald phoned his parents to congratulate them during the party.

Sixty people attended the

party. A buffet supper was served.

The Dittmers were married in Evanston. They had a summer home at Grass Lake before moving to the area permanently in 1946. They have ten grandchildren.

Out-of-town guests came from Oak Park, Chicago and Carpentersville. In addition to many local friends,

Wires and phone calls of congratulations were received by the Dittmers from Florida and California.

Postage Goes Up On International Mail

An increase in international surface and airmail rates went into effect Monday, May 1. Postmaster Joseph Wolf announced today.

The new international rates, he said, do not apply to mailings for members of the Armed Forces overseas. Domestic postage rates are applicable to mail addressed through APO's and FPO's.

The rate increases for both surface and airmail—averaging 13%—were first proposed on January 14 and publicly confirmed on March 1. The Department explained at that time that they were needed to help offset a deficit of about \$16 million in international mail operations.

Specific information on the new international rates can be obtained from the service window at the post office, Postmaster Wolf said.

This was the first general increase in international rates since July, 1961. The increases are:

1. Airmail letters to Central America and Caribbean area from 13c a half ounce to 15c.
2. Airmail to the rest of the Western Hemisphere remains 15c a half ounce, except for Canada and Mexico.

3. Airmail to Europe and Mediterranean Africa from 15c a half ounce to 20c.

4. Airmail letter rates to the rest of the world unchanged at 25c a half ounce.
5. Aerogrammes and air post cards increased 2c each from 11c to 13c.

6. Items sent by air, other than letters and parcels, such as small packages, books, periodicals and other printed matter increased 10c per

piece to all countries except Canada.

7. Most letters going by surface transportation to all nations (excluding Canada and Mexico) increased from 11c to 13c. Post cards raised from 7c to 8c.

8. Most printed matter, including publications, increased one cent a piece. For 2nd class publications to Canada only, the one-cent increase will be deferred for six months to become effective November 1, 1967. Also the present bundling rate which permits postage to be computed on the bulk weight of packages of publications addressed to Canadian post offices will remain in effect until November 1, 1968, at which time it will be discontinued.

9. Surface parcel post rates to all nations increased 20c a parcel, an average of 7%.

"Postage rates for surface first class letters and air letters and surface 3rd class type printed matter to Canada and Mexico correspond to U. S. domestic rates, which are set by the Congress, and are not being changed at this time," Postmaster Wolf said.

Go Fly A Kite—But Keep Safe

Now that Spring is here youngsters will be out in force flying kites, and according to Norman E. Brown, district superintendent of Commonwealth Edison Company, they can have fun safely by following five basic rules.

Brown urges kite flyers of all ages to play it safe by remembering these guidelines:

- 1—Use only ordinary kite string; don't substitute wire or metallic cord.
- 2—Never attach metal or tinseal to any part of the kite.
- 3—Fly kites in open areas where traffic is light and trees and utility lines can be avoided.
- 4—Never fly kites during storms or when the string is wet.
- 5—If the kite becomes snagged, abandon it rather than risking injury by climbing a pole or tree or entering a hazardous area to retrieve it.

"In short," Brown said, "when your kite is in the air, keep your mind down to earth on safety."

Drive with a dirty windshield? Of course not. But don't overlook those headlights either. Dirty headlights can cut your vision as much as 25% on the road at night. Keep them clean!

Homemakers Hold Annual Meeting

The 35th Annual Meeting of the Lake County Homemakers Extension Association was held Wednesday, April 26, at a luncheon meeting at Martinelli's Restaurant in Crystal Lake. Mrs. Gilbert Clem, County President, presided at the business meeting when new officers were elected as follows:

Mrs. Alfred Ames, 1st Vice-president (Program Chairman), Wadsworth; Mrs. Warren Helgren, Secretary, Grayslake; Mrs. Francis Olson, Director, Libertyville; Mrs. William Fisher, Director, Wildwood; Mrs. Charles Schliefer, Director, McHenry.

Other members of the council continuing their term of office for another year are:

President, Mrs. Gilbert Clem, Gurnee; Membership Chairman, Mrs. Charles Johnson, Mundelein; Treasurer, Mrs. Calvin Bracher, Libertyville.

Directors, Mrs. Richard Wells, Antioch; Mrs. Melbourn Mudd, Libertyville; Mrs. Peter Sneesby, Gurnee; Mrs. Leo Edmonds, Round Lake.

Mrs. Harold Gerry, Barrington, immediate past secretary of the Illinois Homemakers Extension Federation, installed the new council.

Mrs. Peter Sneesby of Gurnee led the singing accompanied by Mrs. Warren Chard of Grayslake. Boys and girls of Crystal Lake High School entertained with an Irish Folk Dance in costume.

Speaker of the day was Mrs. Herman Stiehr, immediate past president of the Illinois Homemakers Extension Federation.

Mrs. Stiehr was the first president of the Lake County Homemakers Extension Association, formerly known as the Home Bureau.

Churchwomen To Hear Speaker

The Episcopal Churchwomen of St. Ignatius of Antioch of Antioch Parish will meet May 10, at 8 p.m. They are invited to the Rectory, 983 Main St. The Rev. Vincent Fish from Church of the Holy Family, Lake Villa will give a talk after the business meeting.

Serving the refreshments this month are Alice (Mrs. Theodore) Bessette, Barbara (Mrs. Raymond) Gallaher, Bea (Mrs. Harold) Soladay, Nina (Mrs. Elmer) Brook, Joan (Mrs. Charles H.) Larson, and Mary (Mrs. George L.) Boyd.

STRINGERS VISIT AUSTRIA
Mr. and Mrs. Earl Stringer returned last Friday from a ten-day trip to Austria and nearby European countries. Mr. Stringer won the trip for selling the most Dodge cars in this area.

The Stringers took a trip behind the Iron Curtain, in Czechoslovakia. "You can't imagine the feeling of relief when the bus brought us back through the gate," Earl said. "There's no describing the feeling of desolation you get when you go in there. There's little merchandise in the shops. There are guards in the towers with guns when you go through the gates. We were all glad to get out of there."

Home School Program At St. Peters

The Home-School Program at St. Peter's School will be held on Tuesday, May 9, at 8:00 p.m. in the blue room of the school.

The Rev. Francis Koziol, presently Assistant Procurator at Quigley Seminary, will be the featured speaker. Father Koziol has been very active in the Home-School Program for the last four years. The topic of discussion will be "Let's Look Around Us." This will concern outside influences on our children—movies, television, friends—which affect them most. There will be a discussion on how the family and school can deal with these problems.

This will be the last program for this school year and we urge all parents and friends to try to attend this most interesting meeting. Parents of children in the public school are invited also. Refreshments will be served by Mrs. Charles McKinney and her committee.

AARP Studies Car Insurance

Fifty-one members of the Antioch Area Chapter, 387 of AARP were in attendance at the April 25th meeting in the community room of the Savings & Loan Building.

The main order of business during the meeting was a discussion on the insurance program and also insurance affecting automobiles for those in the age bracket of seventy years. Following the business meeting, colored movies were shown by a member of the Chapter, Harold Lindberg.

For the May 9 meeting, the insurance problem will be explained by an expert from the National Association Plans on insurance, by Miss McGill from the Chicago office. The May 23rd meeting, following the serving of coffee and cake, the chapter members will travel by cars to St. Benedict's Abbey at Benet Lake, Wisconsin, for a tour of the Abbey.

Celebrating 90th Birthday

Mrs. Clara Westlake of 483 Lake St., Antioch, celebrated her ninetieth birthday May 3. If you'd like to know how to live to be 90 and still enjoy life she has a simple recipe—"work."

Mrs. Westlake is still active, enjoys good health and takes a lively interest in the life of the town. Though her eyesight is failing, she still likes to read the newspaper—"at least the headlines"—to keep up with the news.

She rises at 7 a.m., cooks her breakfast, does her daily housekeeping chores and takes a walk with her daughter, Mrs. Fanny Yates, almost every day.

Mrs. Westlake lives on the second floor of the house occupied by her daughter and son-in-law. She's still charming and attractive at 90, and still works at hobbies she has enjoyed all her life.

Flowers and gardening have been a life-long pleasure to her. "I had a garden always," she said, "green vegetables, too. I grew all these plants from leaves," she said, indicating a table of healthy-looking African violets.

Sewing is the thing she enjoyed most, though. She showed me a sampler she had made, in cross stitch, when she was ten years old, then a luncheon set with napkins that she embroidered recently, also in cross stitch; both pieces were beautifully worked.

Born in Somersetshire, England, in 1877, Mrs. Westlake, then Clara Fowles, came to Antioch Sept. 6, 1909, to help her sister, Mrs. Verrier, who lived here. In 1910 she married Joseph Westlake, who passed away in 1924.

Antioch was a very small town then. Lake St. was a dirt road," Mrs. Westlake says. "A lot of people used to come out from Chicago weekends during the summer, and my husband drove

Mrs. Clara Westlake, Lake St., Antioch, will celebrate her 90th birthday May 3.

the bus for the Simons Hotel."

Mrs. Westlake had been a member of the Church of England when she came to America, but there was no such church here at that time. So she joined the Antioch Methodist Church, and has been an active member ever since.

She has also been an active member of the Order of the Eastern Star for almost fifty years.

Mrs. Westlake had two daughters, Martha Hinton, who is deceased, and Mrs. Fred (Fanny) Yates, with whom she lives. She has three grandchildren, Barbara Yates Lindholm of Los Angeles; James Hinton, a lawyer in Santa Rosa, Calif., and Robert Hinton of San Francisco. She also has three great grandchildren, Robert Lindholm, and Paul and Laura Hinton.

Two of her brothers who also came to this country visited her Sunday, April 30, for a pre-celebration of her birthday. They are John H. Fowles of Libertyville, who for 33 years was a gardener at St. Mary's of the Lake Seminary, and Fred Fowles of McHenry. Fred's wife, Dora, also came from England.

Last year, her birthday was celebrated with a large Open House. "This year we had just a quiet celebration," she said. "I didn't think I was up to such a big doings."

Mrs. Westlake also has two brothers and a sister living in England with whom she corresponds. All are younger than her.

At 90, Mrs. Westlake still has a great interest in people and life. Perhaps that's why she really doesn't feel very old.

HAWAIIAN TRIP

Mr. and Mrs. William J. Anderson of Lake Villa have just returned from a trip to the Hawaiian Islands. They made the trip with Medinah Shriners of Chicago.

The Andersons stopped in San Francisco and Las Vegas, then on to the Islands. They stayed in Honolulu but visited four of the other islands.

Mr. and Mrs. Clarence Erickson, Jr.

Joined In Marriage By Bride's Uncle

Kathleen Ann Zancak and Clarence G. Erickson, Jr., were married in Prince of Peace Church, Lake Villa, April 8, in a double ring ceremony. Officiating at the service was the bride's uncle and godfather, the Rev. Bernard Zancak of San Jose, California.

The bride is the daughter of Mr. and Mrs. George R. Zancak, Sr., of 2015 E. Old Elm Rd., Lindenhurst, and the bridegroom is the son of Mr. and Mrs. Clarence G. Erickson, 1913 Lotus Dr., Round Lake.

A floor length gown of silk organza and Chantilly lace over bridal taffeta was worn by the bride. The bodice was fashioned with a scalloped neckline and long lace sleeves. The skirt was a sheath with hip fullness sweeping into a chapel length train. Her headpiece was organza petals with an illusion bouffant veil.

She carried a cascade bouquet of white orchids, lilies of the valley and miniature snowdrift mums. Mrs. George (Bonnie) Zancak of Milwaukee, was her sister-in-law's matron of honor and Frank Kasper, Jr., served as best man for the bridegroom.

Bridesmaids were Miss Bonnie Svoboda, Miss Linda Carlson and Miss Virginia Clark. Miss Vicki Kasper was flower girl and the bride's brothers, Ralph and George Zancak and Elmer Von Haerke, Jr., were ushers.

The bride's attendants wore long aqua and turquoise gowns with oval necklines and headpieces of matching bows, with butterfly veils. They carried cascade bouquets.

Following a reception at the Lindenhurst Civic Center, the couple left for Texas where the bridegroom is stationed at Fort Hood, Texas.

The former Miss Zancak graduated from Antioch High School in 1965. She was employed at the Electronic Supply Office, Great Lakes.

Bill Dean

Bill Dean, known to many Antioch area music-lovers from his engagement at Lorenz's Smart Country House, is giving an organ concert Sunday, May 7, at 2 p.m. at the Terrace Restaurant, Rt. 83 and Lake St., Elmhurst, Ill.

Dean will be playing nightly except Sunday and Monday at the Terrace. He will be joined in his performance by Mrs. Irene Keim, who has done extensive light opera and solo work, and Jack Mitchell, who plays the trumpet.

Bill Dean started playing the piano when he was five years old. When he was 14, the organ became his major interest. At 18 he became a professional.

Celebrate 35 Years of Marriage

Mr. and Mrs. Fred Dittmer, Sr., of Grass Lake were honored at a surprise party in their home on their 35th wedding anniversary Saturday, April 22.

The party was given by their children, Fred, Jr., of Evanston; Richard (Bud) of Lake Villa; Donna (Mrs. Stewart) Olson of Bristol and Gerald of Manitowish.

Fred, Jr. and Gerald were unable to be present. However, Gerald phoned his parents to congratulate them during the party.

Sixty people attended the

party. A buffet supper was served.

The Dittmers were married in Evanston. They had a summer home at Grass Lake before moving to the area permanently in 1946. They have ten grandchildren.

Out-of-town guests came from Oak Park, Chicago and Carpentersville. In addition to many local friends.

Wires and phone calls of congratulations were received by the Dittmers from Florida and California.

Postage Goes Up On International Mail

An increase in international surface and airmail rates went into effect Monday, May 1. Postmaster Joseph Wolf announced today.

The new international rates, he said, do not apply to mailings for members of the Armed Forces overseas. Domestic postage rates are applicable to mail addressed through APO's and FPO's.

The rate increases for both surface and airmail—averaging 13%—were first proposed on January 14 and publicly confirmed on March 1. The Department explained at that time that they were needed to help offset a deficit of about \$16 million in international mail operations.

Specific information on the new international rates can be obtained from the service window at the post office, Postmaster Wolf said.

This was the first general increase in international rates since July, 1961. The increases are:

Airmail letters to Central America and Caribbean area from 13c a half ounce to 15c.

2. Airmail to the rest of the Western Hemisphere remains 15c a half ounce, except for Canada and Mexico.

3. Airmail to Europe and Mediterranean Africa from 15c a half ounce to 20c.

4. Airmail letter rates to the rest of the world unchanged at 25c a half ounce.

5. Aerogrammes and air post cards increased 2c each from 11c to 13c.

6. Items sent by air, other than letters and parcels, such as small packages, books, periodicals and other printed matter increased 10c per

piece to all countries except Canada.

7. Most letters going by surface transportation to all nations (excluding Canada and Mexico) increased from 11c to 13c. Post cards raised from 7c to 8c.

8. Most printed matter, including publications, increased one cent a piece. For 2nd class publications to Canada only, the one cent increase will be deferred for six months to become effective November 1, 1967. Also the present bundling rate which permits postage to be computed on the bulk weight of packages of publications addressed to Canadian post offices will remain in effect until November 1, 1968, at which time it will be discontinued.

9. Surface parcel post rates to all nations increased 20c a parcel, an average of 7%.

"Postage rates for surface first class letters and air letters and surface 3rd class type printed matter to Canada and Mexico correspond to U. S. domestic rates, which are set by the Congress, and are not being changed at this time," Postmaster Wolf said.

Go Fly A Kite-- But Keep Safe

Now that Spring is here youngsters will be out in force flying kites, and according to Norman E. Brown, district superintendent of Commonwealth Edison Company, they can have fun safely by following five basic rules.

Brown urges kite flyers of all ages to play it safe by remembering these guidelines:

1—Use only ordinary kite string; don't substitute wire or metallic cord.

2—Never attach metal or tinsel to any part of the kite.

3—Fly kites in open areas where traffic is light and trees and utility lines can be avoided.

4—Never fly kites during storms or when the string is wet.

5—If the kite becomes snagged, abandon it rather than risking injury by climbing a pole or tree or entering a hazardous area to retrieve it.

"In short," Brown said, "when your kite is in the air, keep your mind down to earth on safety."

Drive with a dirty windshield? Of course not. But don't overlook those headlights either. Dirty headlights can cut your vision as much as 25% on the road at night. Keep them clean!

STRINGERS VISIT AUSTRIA
Mr. and Mrs. Earl Stringer returned last Friday from a ten-day trip to Austria and nearby European countries. Mr. Stringer won the trip for selling the most Dodge cars in this area.

The Stringers took a trip behind the Iron Curtain, in Czechoslovakia. "You can't imagine the feeling of relief when the bus brought us back through the gate," Earl said. "There's no describing the feeling of desolation you get when you go in there... There's little merchandise in the shops. There are guards in the towers with guns when you go through the gates. We were all glad to get out of there."

Home School Program At St. Peters

The Home-School Program at St. Peter's School will be held on Tuesday, May 9, at 8:00 p.m., in the blue room of the school.

The Rev. Francis Koziol, presently Assistant Procurator at Quigley Seminary, will be the featured speaker. Father Koziol has been very active in the Home-School Program for the last four years. The topic of discussion will be "Let's Look Around Us." This will concern outside influences on our children—movies, television, friends—which affect them most. There will be a discussion on how the family and school can deal with these problems.

This will be the last program for this school year and we urge all parents and friends to try to attend this most interesting meeting. Parents of children in the public school are invited also. Refreshments will be served by Mrs. Charles McKinney and her committee.

AARP Studies Car Insurance

Fifty-one members of the Antioch Area Chapter, 387 of AARP were in attendance at the April 25th meeting in the community room of the Savings & Loan Building.

The main order of business during the meeting was a discussion on the insurance program and also insurance affecting automobiles for those in the age bracket of seventy years. Following the business meeting, colored movies were shown by a member of the Chapter, Harold Lindberg.

For the May 9 meeting, the insurance problem will be explained by an expert from the National Association Plans on insurance, by Miss McGill from the Chicago office. The May 23rd meeting, following the serving of coffee and cake, the chapter members will travel by cars to St. Benedict's Abbey at Benet Lake, Wisconsin, for a tour of the Abbey.

Celebrating 90th Birthday

Mrs. Clara Westlake of 483 Lake St., Antioch, celebrated her ninetieth birthday May 3. If you'd like to know how to live to be 90 and still enjoy life she has a simple recipe—"work."

Mrs. Westlake is still active, enjoys good health and takes a lively interest in the life of the town. Though her eyesight is failing, she still likes to read the newspaper — "at least the headlines" — to keep up with the news.

She rises at 7 a.m., cooks her breakfast, does her daily housekeeping chores and takes a walk with her daughter, Mrs. Fanny Yates, almost every day.

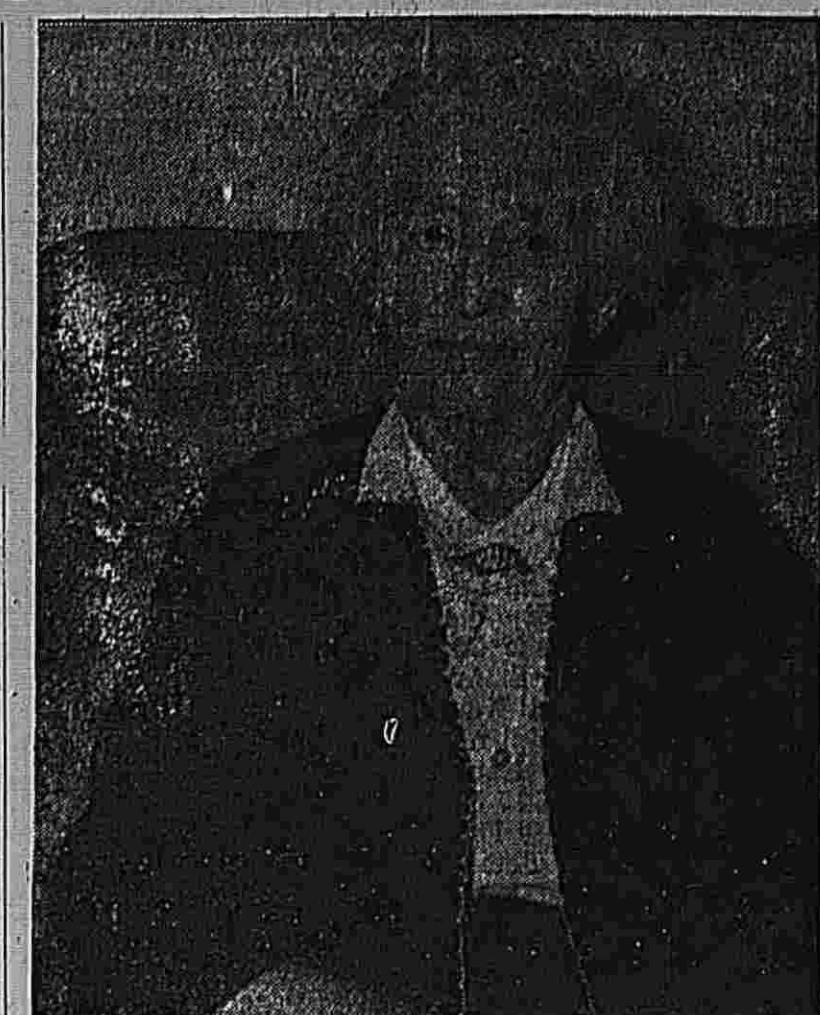

Mrs. Westlake lives on the second floor of the house occupied by her daughter and son-in-law. She's still charming and attractive at 90, and still works at hobbies she has enjoyed all her life.

Flowers and gardening have been a life-long pleasure to her. "I had a garden always," she said, "green vegetables, too. I grew all these plants from leaves," she said, indicating a table of healthy-looking African violets.

Sewing is the thing she enjoyed most, though. She showed me a sampler she had made, in cross stitch, when she was ten years old, then a luncheon set with napkins that she embroidered recently, also in cross stitch; both pieces were beautifully worked.

Born in Somersetshire, England, in 1877, Mrs. Westlake, then Clara Fowles, came to Antioch Sept. 6, 1909, to help her sister, Mrs. Verrier, who lived here. In 1910 she married Joseph Westlake, who passed away in 1924.

Antioch was a very small town then. Lake St. was a dirt road," Mrs. Westlake says. "A lot of people used to come out from Chicago weekends during the summer, and my husband drove

Mrs. Clara Westlake, Lake St., Antioch, will celebrate her 90th birthday May 3.

the bus for the Simons Hotel."

Mrs. Westlake had been a member of the Church of England when she came to America, but there was no such church here at that time. So she joined the Antioch Methodist Church, and has been an active member ever since.

She has also been an active member of the Order of the Eastern Star for almost fifty years.

Mrs. Westlake had two daughters, Martha Hinton, who is deceased, and Mrs. Fred (Fanny) Yates, with whom she lives. She has three grandchildren, Barbara Yates Lindholm of Los Angeles; James Hinton, a lawyer in Santa Rosa, Calif.; and Robert Hinton of San Francisco. She also has three great grandchildren, Robert Lindholm, and Paul and Laura Hinton.

Two of her brothers who also came to this country visited her Sunday, April 30, for a pre-celebration of her birthday. They are John H. Fowles of Libertyville, who for 33 years was a gardener at St. Mary's of the Lake Seminary, and Fred Fowles of McHenry. Fred's wife, Dora, also came from England.

Last year, her birthday was celebrated with a large Open House. "This year we had just a quiet celebration," she said. "I didn't think I was up to such a big doing."

Mrs. Westlake also has two brothers and a sister living in England with whom she corresponds. All are younger than her.

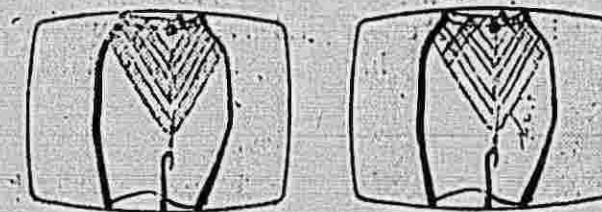

At 90, Mrs. Westlake still has a great interest in people and life. Perhaps that's why she really doesn't seem very old.

HAWAIIAN TRIP
Mr. and Mrs. William J. Anderson of Lake Villa have just returned from a trip to the Hawaiian Islands. They made the trip with Medinah Shriners of Chicago.

The Andersons stopped in San Francisco and Las Vegas, then on to the islands. They stayed in Honolulu but visited four of the other islands.

Mr. and Mrs. Clarence Erickson, Jr.

Joined In Marriage By Bride's Uncle

Kathleen Ann Zanek and Clarence G. Erickson, Jr., were married in Prince of Peace Church, Lake Villa, April 8, in a double ring ceremony. Officiating at the service was the bride's uncle and godfather, the Rev. Bernard Zanek of San Jose, California.

The bride is the daughter of Mr. and Mrs. George R. Zanek, Sr., of 2015 E. Old Elm Rd., Lindenhurst, and the bridegroom is the son of Mr. and Mrs. Clarence G. Erickson, 1913 Lotus Dr., Round Lake.

A floor length gown of silk organza and Chantilly lace over bridal taffeta was worn by the bride. The bodice was fashioned with a scalloped neckline and long lace sleeves. The skirt was a sheath with hip fullness sweeping into a chapel length train. Her headpiece was organza petals with an illusion bouffant veil.

She carried a cascade bouquet of white orchids, lilies of the valley and miniature

snowdrift mums. Mrs. George (Bonnie) Zanek of Milwaukee, was her sister-in-law's matron of honor and Frank Kasper, Jr., served as best man for the bridegroom.

Bridesmaids were Miss Bonnie Swoboda, Miss Linda Carlson and Miss Virginia Clark. Miss Vicki Kasper was flower girl and the bride's brothers, Ralph and George Zanek and Elmer Von Haerke, Jr., were ushers.

The bride's attendants wore long aqua and turquoise gowns with oval necklines and headpieces of matching bows, with butterfly veils. They carried cascade bouquets.

Following a reception at the Lindenhurst Civic Center, the couple left for Texas where the bridegroom is stationed at Fort Hood, Texas.

The former Miss Zanek graduated from Antioch High School in 1965. She was employed at the Electronic Supply Office, Great Lakes.

Bill Dean Entertains

Bill Dean

Bill Dean, known to many Antioch area music-lovers from his engagement at Lorenz's Smart Country House, is giving an organ concert Sunday, May 7, at 2 p.m. at the Terrace Restaurant, Rt. 83 and Lake St., Elmhurst, Ill.

Dean will be playing nightly except Sunday and Monday at the Terrace. He will be joined in his performances by Mrs. Irene Keim, who has done extensive light opera and solo work, and Jack Mitchell, who plays the trumpet.

Bill Dean started playing the piano when he was five years old. When he was 14, the organ became his major interest. At 18 he became a professional.

Celebrate 35 Years of Marriage

Mr. and Mrs. Fred Dittmer, Sr., of Grass Lake were honored at a surprise party in their home on their 35th wedding anniversary Saturday, April 22.

The party was given by their children, Fred, Jr., of Evanston; Richard (Bud) of Lake Villa; Donna (Mrs. Stewart) Olson of Bristol and Gerald of Manitowish.

Fred, Jr. and Gerald were unable to be present. However, Gerald phoned his parents to congratulate them during the party.

Sixty people attended the

party. A buffet supper was served.

The Dittmers were married in Evanston. They had a summer home at Grass Lake before moving to the area permanently in 1946. They have ten grandchildren.

Out-of-town guests came from Oak Park, Chicago and Carpentersville. In addition to many local friends,

Wires and phone calls of congratulations were received by the Dittmers from Florida and California.

Postage Goes Up On International Mail

An increase in international surface and airmail rates went into effect Monday, May 1, Postmaster Joseph Wolf announced today.

The new international rates, he said, do not apply to mailings for members of the Armed Forces overseas. Domestic postage rates are applicable to mail addressed through APO's and FPO's.

The rate increases for both surface—and airmail—averaging 13%—were first proposed on January 14 and publicly confirmed on March 1. The Department explained at that time that they were needed to help offset a deficit of about \$16 million in international mail operations.

Specific information on the new international rates can be obtained from the service window at the post office, Postmaster Wolf said.

This was the first general increase in international rates since July, 1961. The increases are:

1. Airmail letters to Central America and Caribbean area from 13c a half ounce to 15c.
2. Airmail to the rest of the Western Hemisphere remains 15c a half ounce, except for Canada and Mexico.

3. Airmail to Europe and Mediterranean Africa from 15c a half ounce to 20c.

4. Airmail letter rates to the rest of the world unchanged at 25c a half ounce.
5. Aerogrammes and air post cards increased 2c each from 11c to 13c.

6. Items sent by air, other than letters and parcels, such as small packages, books, periodicals and other printed matter increased 10c per

piece to all countries except Canada.

7. Most letters going by surface transportation to all nations (excluding Canada and Mexico) increased from 11c to 13c. Post cards raised from 7c to 8c.

8. Most printed matter, including publications, increased one cent a piece. For 2nd class publications to Canada only, the one cent increase will be deferred for six months to become effective November 1, 1967. Also the present bundling rate which permits postage to be computed on the bulk weight of packages of publications addressed to Canadian post offices will remain in effect until November 1, 1968, at which time it will be discontinued.

9. Surface parcel post rates to all nations increased 20c a parcel, an average of 7%.

"Postage rates for surface first class letters and air letters and surface 3rd class type printed matter to Canada and Mexico correspond to U. S. domestic rates, which are set by the Congress, and are not being changed at this time," Postmaster Wolf said.

Go Fly A Kite... But Keep Safe

Now that Spring is here youngsters will be out in force flying kites, and according to Norman E. Brown, district superintendent of Commonwealth Edison Company, they can have fun safely by following five basic rules.

Brown urges kite flyers of all ages to play it safe by remembering these guidelines:

- 1—Use only ordinary kite string, don't substitute wire or metallic cord.
- 2—Never attach metal or tinsel to any part of the kite.
- 3—Fly kites in open areas where traffic is light and trees and utility lines can be avoided.
- 4—Never fly kites during storms or when the string is wet.
- 5—If the kite becomes snagged, abandon it rather than risking injury by climbing a pole or tree or entering a hazardous area to retrieve it.

"In short," Brown said, "when your kite is in the air, keep your mind down to earth on safety."

Drive with a dirty windshield? Of course not. But don't overlook those headlights either. Dirty headlights can cut your vision as much as 25% on the road at night. Keep them clean!

STRINGERS VISIT AUSTRIA
Mr. and Mrs. Earl Stringer returned last Friday from a ten-day trip to Austria and nearby European countries. Mr. Stringer won the trip for selling the most Dodge cars in this area.

The Stringers took a trip behind the Iron Curtain, in Czechoslovakia. "You can't imagine the feeling of relief when the bus brought us back through the gate," Earl said. "There's no describing the feeling of desolation you get when you go in there. There's little merchandise in the shops. There are guards in the towers with guns when you go through the gates. We were all glad to get out of there."

Home School Program At St. Peters

The Home-School Program at St. Peter's School will be held on Tuesday, May 9, at 8:00 p.m. in the blue room of the school.

The Rev. Francis Koziol, presently Assistant Procurator at Quigley Seminary, will be the featured speaker. Father Koziol has been very active in the Home-School Program for the last four years. The topic of discussion will be "Let's Look Around Us." This will concern outside influences on our children—movies, television, friends—which affect them most. There will be a discussion on how the family and school can deal with these problems.

This will be the last program for this school year and we urge all parents and friends to try to attend this most interesting meeting. Parents of children in the public school are invited also. Refreshments will be served by Mrs. Charles McKinney and her committee.

AARP Studies Car Insurance

Fifty-one members of the Antioch Area Chapter, 387 of AARP were in attendance at the April 25th meeting in the community room of the Savings & Loan Building.

The main order of business during the meeting was a discussion on the insurance program and also insurance affecting automobiles—for those in the age bracket of seventy years. Following the business meeting, color-movie movies were shown by a member of the Chapter, Harold Lindberg.

For the May 9 meeting, the insurance problem will be explained by an expert from the National Association Plans on insurance, by Miss McGill from the Chicago office. The May 23rd meeting, following the serving of coffee and cake, the chapter members will travel by cars to St. Benedict's Abbey at Benet Lake, Wisconsin, for a tour of the Abbey.

Celebrating 90th Birthday

Mrs. Clara Westlake of 483 Lake St., Antioch, celebrated her ninetieth birthday May 3. If you'd like to know how to live to be 90 and still enjoy life she has a simple recipe—"work."

Mrs. Westlake is still active, enjoys good health and takes a lively interest in the life of the town. Though her eyesight is failing, she still likes to read the newspaper — "at least the headlines" — to keep up with the news.

She rises at 7 a.m., cooks her breakfast, does her daily housekeeping chores and takes a walk with her daughter, Mrs. Fanny Yates, almost every day.

Mrs. Westlake lives on the second floor of the house occupied by her daughter and son-in-law. She's still charming and attractive at 90, and still works at hobbies she has enjoyed all her life.

Flowers and gardening have been a life-long pleasure to her. "I had a garden always," she said, "green vegetables, too. I grew all these plants from leaves," she said, indicating a table of healthy-looking African violets.

Sewing is the thing she enjoyed most, though. She showed me a sampler she had made, in cross stitch, when she was ten years old, then a luncheon set with napkins that she embroidered recently, also in cross stitch; both pieces were beautifully worked.

Born in Somersetshire, England, in 1877, Mrs. Westlake, then Clara Fowles, came to Antioch Sept. 6, 1909, to help her sister, Mrs. Verrier, who lived here. In 1910 she married Joseph Westlake, who passed away in 1924.

Antioch was a very small town then. Lake St. was a dirt road," Mrs. Westlake says. "A lot of people used to come out from Chicago weekends during the summer, and my husband drove

Mrs. Clara Westlake, Lake St., Antioch, will celebrate her 90th birthday May 3.

the bus for the Simons Hotel."

Mrs. Westlake had been a member of the Church of England when she came to America, but there was no such church here at that time. So she joined the Antioch Methodist Church, and has been an active member ever since.

She has also been an active member of the Order of the Eastern Star for almost fifty years.

Mrs. Westlake had two daughters, Martha Hinton, who is deceased, and Mrs. Fred (Fanny) Yates, with whom she lives. She has three grandchildren. Barbara Yates Lindholm of Los Angeles; James Hinton, a lawyer in Santa Rosa, Calif.; and Robert Hinton of San Francisco. She also has three great grandchildren: Robert Lindholm, and, Paul and Laura Hinton.

Two of her brothers who also came to this country visited her Sunday, April 30, for a pre-celebration of her birthday. They are John H. Fowles of Libertyville, who for 33 years was a gardener at St. Mary's of the Lake Seminary, and Fred Fowles of McHenry. Fred's wife, Dora, also came from England.

Last year, her birthday was celebrated with a large Open House. "This year we had just a quiet celebration," she said. "I didn't think I was up to such a big doings."

Mrs. Westlake also has two brothers and a sister living in England with whom she corresponds. All are younger than her.

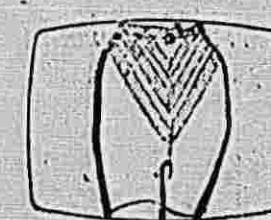

At 90, Mrs. Westlake still has a great interest in people and life. Perhaps that's why she really doesn't seem very old.

Hospital Patients

Bill Shutt is able to have visitors for a short period of time now, after having a heart attack a week ago Saturday. He was in intensive care for the first three days while he was in Victory Memorial Hospital. He expects to be there another three weeks and then may be home for four months. A card sent to room 267 will brighten his stay.

Randy Gorski, 2402 E. Plumtree Rd., suffered an asthma attack during a family celebration of his brother Rick's 14th birthday, and was rushed to St. Therese Hospital, where he was placed under oxygen for two days. He is home now. He is the son of Richard and Joyce Gorski.

Birthdays

Birthday greetings to Sandy Drago, Jean Nauer, John Henry Ploss, Bob Buksas, George Orbank, Cheryl Patterson, and to the April 30 quintet, Heidi Ann Rentdorff, Bill Boucos, Linda Buksas, Bill Bernau and Pearl LaBarbera.

Anniversaries

Happy anniversary to the Bob Brauers who will be celebrating 20 years of marriage on April 26.

John and Lorraine Grant, 23 years on April 29. Mary Ann and Steve Irvin, 5 years on April 28.

Gerald and Rae - Ellen Dannmann, 9 years April 26. Joe and Pearl LaBarbera, 21 years April 30.

Card Party a Success

With three out of four card parties being successes, it would seem, the ladies like to play cards and buncos. The latest one, sponsored by the Prince of Peace Altar and Rosary Sodality, last Wednesday, was very well attended. Fifty-two tables were set up and only a few had two or three playing at them. 204 purchased tickets. Lasco Florist of Antioch had a beautiful display of figurines, arrangements and potted plants.

Each lady received a jinx quilt corsage made up by Ann Madsen, Romona Sheehan, Rosella McCarthy and Kay McCarthy of Janesville, Wis. Kay is Lee Stollenwerk's daughter.

Graduates
Bob Hammit, son of Mr. and Mrs. Robert Hammit of Venetian Village graduated from nine weeks of Navy basic training at the Great Lakes Naval Training Center. Bob is a graduate of Lake Villa Grade School and Antioch Community High School.

\$2½ million
rate reduction
for gas heat
customers.

This—the seventh major reduction since 1962—goes into effect on May 1. Isn't it time you switched to gas heat? In so many ways, it makes sense.

The average residential space heating customer will pay approximately \$25 less next winter than he did five years ago under normal weather conditions.

Clean, comfortable, dependable gas heat saves you money from the very start. In fact, your savings soon pay for the cost of conversion.

We'll finance the conversion to gas through your heating contractor. Terms: No down payment. No payment until October 1, 1967. Up to 5 years to pay. Payments as low as \$3 a month.

With gas heat you'll be rid of expensive maintenance, costly repairs. And because you'll have no delivery problems, you'll have peace of mind. (You can put your own price tag on that!)

And it also makes sense—when you heat with gas, why not cool with gas? Ask your contractor about adding gas air conditioning, too. (We'll finance both.)

Rain Delays Opening Of Speed Center

Late afternoon showers caused the first race of the 1967 season of Modified and Stock Car auto races at the Lake Geneva Speed Center to be delayed till this Saturday night.

Prior to cancellation, 46 modifieds had called or previously announced their intent to compete for the guaranteed purse and Driver Bonus money announced by the Speed Center for 1967. In addition to these plans, which are unique to area modified racing, the Speed Center also furnished free alcohol fuel to the modifieds.

Sturges Taggart, manager of the Speed Center, said, "even in the rain at what would have been race time, hundreds of automobiles were on Bloomfield Road headed for the Speed Center and our phones were kept busy from 2 p.m. to beyond race time keeping people aware of our plans." He continued, "This is the indication we've been waiting for since the Speed Center went into oval track racing last year and now after all this time, it looks like the Speed Center is really on its way to becoming the Speed plant we have always known it could be."

NICC Prize Shoot Sun.

The Northern Illinois Conservation Club will kick off their 1967 trap shooting season on Sunday, May 7, with a special prize shoot that will include some unusual contests designed to favor the ordinary shooter.

Shooting will start at 10 a.m. at the extensive club grounds on Route 173, three miles west of Antioch, with ducks, turkeys, steaks and chickens the targets of the scatter-gun fans.

Main event on the day's program is the Low Score-High Score-Red Bird Chicken Shoot, in which there can be three winners, with a chicken for each. Another contest will award three chickens to the shooter with the high score.

Also on the day's list are multiple Red Bird Shoots, in which luck is more important than skill.

Hot refreshments and shells will be available all day long, for the shooters and watchers, who are all welcome.

The NICC traps will be open Saturday, May 6th from 1 to 4 p.m. for practice shooting. This will give hopeful nimrods an opportunity to sharpen up their sights for the big shoot.

Gerretsen's Lead Ladies Classic League

The Ladies Classic league finished the season Monday, April 24, with the T. Gerretsen team in first place. Second place was taken by Antioch Savings & Loan, followed by Stringer Motors, Antioch Lumber, State Bank and Lorenz's. Members of the T. Gerretsen team are Jane Hartman, captain, Mary Derrer, Pearl Kapell and June D'Isa.

The Ladies Classic League, a scratch league, saw some high scoring throughout the season. There were five 600-plus series rolled, plus numerous high 500's. Curly Wertz lead the high scorers, with a 643 series; Myrtle Sampayo had 623; Mary Derrer 615, Pat Helwig 612 and Jane Hartman 609.

Jane Hartman's 278 game

lead the league in high games, with Ruth Lump's 256 and Ardell Brand's 252 next in order.

Pat Helwig lead the league in averages with a 174 average at the end of the season.

The T. Gerretsen team had high team average of 644. Other team averages were Antioch Savings and Loan, 627; Stringer Motors 614; Antioch Lumber 611; State Bank 620; Lorenz, 617; Modern Music, 618, and Antioch Builders, 601.

Teams are shuffled each year in the Ladies Classic league, to provide equal competition. The eight high average girls are captains, and draw their teams by average, so that each team starts the season at a team average within a few pins of all other teams.

To Take Part
In Art Institute

John Fleischer, Art teacher at Central High School, as been notified that Liane Klemko and Michele Kautenberger, art students, will take part in an Art Institute at the U. of Wisconsin from June 19 through June 30.

Their acceptance was based on a portfolio of art work submitted. Scholarships are awarded to 24 high school seniors in the state. Both girls will attend the University to major in art.

Promoted To Plant Manager

William C. Schade, Jr., 5N 401 Eagle Terrace, Itasca, has been promoted to district plant manager of Illinois Bell Telephone's Waukegan District.

He succeeds C. R. Daniels, Elmhurst, who has been

William C. Schade

transferred as plant supervisor to the General Plant Personnel Staff, and detailed to American Telephone and Telegraph Company in New York.

In his new position, Schade will be responsible for plant Dept. operations in the District, an area that includes Waukegan, Highland Park, Antioch and the surrounding Lake Towns.

Schade was previously assistant district traffic manager in Arlington Heights.

He joined the company in 1955 after graduating from Aurora College with a B.S. degree in physics. Except for his most recent one-year assignment in the Traffic Department, Schade has held all his various positions in the State and Suburban Plant operations. Among the capacities in which he has served are those of plant assignment foreman in Ottawa, station installation foreman in Woodstock and "Arlington" Heights, wire chief in Elmhurst, and division staff supervisor in Skokie.

A native of Montgomery, Illinois, Schade graduated from West Aurora High School. He served two years

Otto Wins Feature At Speedway

Waukegan put its second program of the season in the record books Sunday night under threatening skies. Roger Otto took the feature lead after a restart and raced to a hard-fought win as Whitey Harris was right on his bumper at the end.

Due to the unfavorable weather conditions, the time trials were suspended. Over 35 drivers took part in a drawing for heat race starting positions, then the top four in each heat qualified for the feature.

Homer Ansell jumped to the feature lead, but transmission trouble eliminated him on the second lap. On the restart, Otto took command, followed by Claude Potter and Tom Gruenwald.

Issue Warning To Horse Owners On Sleeping Sickness

Robert M. Schneider, director of the Illinois Department of Agriculture, issued a warning to all horse owners stressing vaccination of horses against equine viral encephalitis, commonly referred to as "sleeping sickness."

Dr. Paul B. Doby, superintendent of the Division of Livestock and Joultry Industry, said that "although 61 suspected cases of sleeping sickness with 30 deaths were reported in 1966, it is impossible to predict the seriousness of the disease this year."

Vaccination prior to the insect season is the best insurance against this dread disease. Horses vaccinated last year should be vaccinated again this spring as immunity is of limited duration. Two injections are necessary to provide immunity.

He and his wife, the former Jan Armstrong of Geneva, have three children, Billy and Betsy, six-year-old twins, and Cathy, 9.

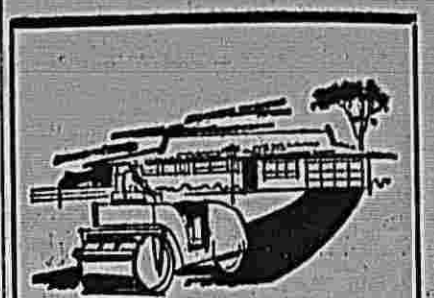

Meanwhile Harris charged to the front from a rear starting position.

By the halfway point at 15 laps, the top five were bumper - to - bumper. Otto lead Potter, Harris, Gruenwald and Chuck Uttech, a slip by any of them meaning a shuffle in positions.

Potter slipped high on the 22nd lap, and Harris took second. Harris kissed bumpers with Otto for several laps, then Harris blew a radiator hose and - slackened. With five laps to go, Fred Zack raced high and moved into contention and Ron Enderle also moved up.

At the finish, Harris charged back and nearly caught Otto. The next eight finishers were bunched nose-to-tail as they roared across the finish line. Potter salvaged third and Gruenwald was awarded fourth spot.

There was lots of excitement in the first modified heat race. Dale Koehler opened up a substantial lead, but with only a lap and a half to go, a fuel injection line loosened and sprayed alcohol on the engine. Unknown to Koehler, a fire erupted. Starter Frank Pitner flagged Koehler to a halt as he took

To Take Part In Art Institute

John Fleischer, Art teacher at Central High School, as been notified that Liane Klemko and Michele Kautenberger, art students, will take part in an Art Institute at the University of Wisconsin from June 19 through June 30.

Their acceptance was based on a portfolio of art work submitted. Scholarships are awarded to 24 high school seniors in the state. Both girls will attend the University to major in art.

Promoted To Plant Manager

William C. Schade, Jr., 5N 401 Eagle Terrace, Itasca, has been promoted to district plant manager of Illinois Bell Telephone's Waukegan District.

He succeeds C. R. Daniels, Elmhurst, who has been

William C. Schade

transferred as plant supervisor to the General Plant Personnel Staff, and detailed to American Telephone and Telegraph Company in New York.

In his new position, Schade will be responsible for plant Dept. operations in the District, an area that includes Waukegan, Highland Park, Antioch and the surrounding Lake Towns.

Schade was previously assistant district traffic manager in Arlington Heights.

He joined the company in 1955 after graduating from Aurora College with a B.S. degree in physics. Except for his most recent one-year assignment in the Traffic Department, Schade has held all his various positions in the State and Suburban Plant operations. Among the capacities in which he has served are those of plant assignment foreman in Ottawa, station installation foreman in Woodstock and Arlington Heights, wire chief in Elmhurst, and division staff supervisor in Skokie.

A native of Montgomery, Illinois, Schade graduated from West Aurora High School. He served two years

Otto Wins Feature At Speedway

Waukegan put its second program of the season in the record books Sunday night under threatening skies. Roger Otto took the feature lead after a restart and raced to a hard-fought win as Whitey Harris was right on his bumper at the end.

Due to the unfavorable weather conditions, the time trials were suspended. Over 35 drivers took part in a drawing for heat race starting positions, then the top four in each heat qualified for the feature.

Homer Ansell jumped to the feature lead, but transmission trouble eliminated him on the second lap. On the restart, Otto took command, followed by Claude Potter and Tom Gruenwald.

Issue Warning To Horse Owners On Sleeping Sickness

Robert M. Schneider, director of the Illinois Department of Agriculture, issued a warning to all horse owners stressing vaccination of horses against equine viral encephalitis, commonly referred to as "sleeping sickness."

Dr. Paul B. Doby, superintendent of the Division of Livestock and Poultry Industry, said that "although 61 suspected cases of sleeping sickness with 30 deaths were reported in 1966, it is impossible to predict the seriousness of the disease this year."

Vaccination prior to the insect season is the best insurance against this dread disease. Horses vaccinated last year should be vaccinated again this spring as immunity is of limited duration. Two injections are necessary to provide immunity.

with the Army and is a former member of the Villa Park Chamber of Commerce.

He and his wife, the former Jan Armstrong of Geneva, have three children, Billy and Betsy, six-year-old twins, and Cathy, 9.
